Boys and Girls (Separate Camps)

Madinah al-Ilm : 18-24 year olds / Bab al-Ilm : 14-17 year olds

Quotes from last year's participants:

"Finally arrived the moment we were all waiting for - the ziyarat of Bibi Masuma e Qum. We were all excited. Words cannot describe what we saw. We could only say thanks to Allah for actually having blessed us with the opportunity. We recited her ziyarat and then proceeded to kiss the shrine. We will always remember and cherish this moment."

"So far, this course is - I can say this on behalf of all of us - very inspiring. We recommend that this course should be advertised a lot more by Jamaats because in the space of only three days, we have already made pledges to become much better Muslims."
